MEMORANDUM FOR: Recipients of

25X1

SUBJECT : Chin-kou-ho Possible Gaseous Diffusion Plant  
Photo Interpretation Note  
Dated April 1971

1. The attached report replaces and supersedes  
copies of which should be destroyed.

25X1

2. This reissued report, Chin-kou-ho Possible  
Gaseous Diffusion Plant, China, dated April 1971, adds a description  
of the plant's primary building in August 1968 when it was under  
construction and was evident in photography -- information which was  
omitted in the original report.
